Projects

Academic:

1. **Study on the Role of Social Media Marketing in the BFSI Sector -** 06 Jun, 2025 - 06 Aug, 2025

   Mentor: Mr. Yash Varma
   Project Link: https://docs.google.com/presentation/d/1rtWTMBBtIjiWN82m120YZAV6n-n5CZRc/edit?usp=drivesdk&ouid=113300424746385638965&rtpof=true&sd=true

   This project analyzed how social media marketing influences customer trust and engagement in the BFSI sector. Based on a survey of 100 respondents, it found that while platforms like Instagram, LinkedIn, and Facebook are widely used, trust and transparency issues still impact customer perception. The study suggests improving authenticity and transparency to enhance engagement.

2. **Study of challenges in managing multi-brand social media portfolios -**

   Mentor: Mr. Harjeet Singh
   Project Link: https://docs.google.com/presentation/d/1T_Wfn-y61UQ39D_OtN7pp764jM70dI8C/edit?usp=drivesdk&ouid=113300424746385638965&rtpof=true&sd=true

   This project focused on understanding the challenges companies face while managing multiple brands on different social media platforms. It involved studying how each brand maintains its unique identity, creates engaging content, and handles audience interactions. The project helped me gain practical insights into social media strategy, content planning, and performance analysis, while improving my creativity, coordination, and analytical thinking.
